

Go The Distance

April 2017

Dear Friends of Holy Family,

Each year, alumni and friends **go the distance** for Holy Family Regional Catholic School. Gifts of every size support a myriad of opportunities that have a tangible and immediate impact on the school. Your abundant generosity, matched only by our thankfulness, makes all the difference.

Last year, an amazing 306 gifts thrust Holy Family over a threshold never before imagined. Having raised our goal of \$150,000 the school received the “Spring Challenge Prize” of \$25,000 and, as such the landscape for the future took a dramatic upward turn.

The 2017 Challenge is upon us with greater momentum and an even bigger prize. The Danaher Lynch Family Foundation has made an anchor gift of \$25,000 to kick-off the **\$100,000 Challenge**. What’s more, they have pledged to ‘**go the distance**’ – a gift, equal in size, consecutively for the next four years. The Challenge before us is to raise \$100,000 by June 30, 2017.

Today, I respectfully request that you go the distance for Holy Family to help meet the **\$100,000 Challenge**. Your gift will ensure the most faith-filled student experience and continued growth in Science, Technology, Religion, Engineering, Art and Math or **STREAM!** Gifts of every size are valued and appreciated.

Join the team. Go the distance. Make your gift today and help to meet the \$100,000 Challenge!

Thank you for your kind consideration.

Sincerely,

Linda K. Robinson
Principal
