A Note from the Principals

Dear Parents and Guardians,

Happy New Year!

Now that it's January, it is a good time to review school closing/delayed opening procedures in the event of inclement weather.

The decision to delay the opening of school or to close altogether, is determined by the status of bus transportation, primarily Bristol Township buses. While the school is located in Neshaminy School District, the majority of our students reside in Bristol Township. During a bad weather event, if Bristol Township announces that schools are closed, or will have a delayed opening, we follow suit. Our families are notified in a number of ways: text, email, Facebook, announcements through WPVI 6, NBC10, and our web-site.

If school is in session and we must close early due to inclement weather, you will be notified in the same way. Please do not call the school! We need to keep the lines open to receive calls from transportation companies so that students can be dismissed at the appropriate times. If school closes early, CARES will not be operating. Please have the conversation with your child about what to do and where to go, should school close early.

We will have our First Friday Mass on January 6 at 8:30 A.M. All are welcome.

Have a great week, and a great year ahead!

DLFF/HOLY FAMILY SURVEY

As part of our mission towards supporting Catholic education in the Lower Bucks County area, we at the Danaher Lynch Family Foundation are asking that all parents please complete a short survey that can be found via the link below. The survey is anonymous and the data will be very helpful for us at the Foundation to guide our support projects in an effective manner.

We admire the excellent education that Holy Family Regional continues to provide for all of their students from Pre-K through 8th grade from Pre-K through 8th grade. This survey offers the Foundation an opportunity to acknowledge the important part that parental feedback plays in creating a dynamic school environment today and into the future. We thank you for completing the survey by 11:59 p.m. on Friday, January 6th.
