

# Creating a Whole New World

Dear Friend,

Can wishes really come true? Perhaps, in our hearts, like children, we want to believe. I wonder what our students would wish for if given the opportunity. Recently, kindergarten students at Holy Family Regional Catholic School, while answering the question of the day, wished for a magic carpet ride. While Disney's movie, *Aladdin* will take them on such fictional adventures, you, however, create "A Whole New World" that's based and filled with immense goodness, generosity and kindness spirit. Our students see you through a unique lens, seemingly magical, but all so very real.

The mission at Holy Family Regional Catholic School is to Challenge young minds, to Inspire faith, to Nurture the whole person. We set out daily to uphold these tenets and in doing so, we build a *Whole New World* of opportunity for students, one that's only possible because of friends like you. The magic rests within each heart – no magic carpet needed.

A masterful New World unfolds in classrooms in Stem and Science labs, on the playing field and playgrounds, on stage where music echoes, dancers tap, and sets are built. As evidenced each spring, "Holy Family's Got Talent."

Respectfully, today I ask for your assistance during the school's most critical fundraising endeavor, the **Spring Challenge**. The financial goal is to raise **\$50,000 by June 30, 2025**. Even as a Whole New World unfolds, the need for financial aid mounts. The looming reality of escalating tuition costs next school year is imminent. The original Queen of the Universe school building, which dates back to the 60's, requires long-term solutions. Finally, endeavors to maintain safety and security inside and outside of the building remain paramount.

A Disney classic will have you believe that challenges are met with magical solutions. Be part of a prayerful solution and make a financial gift of any size today. Return the reply form attached below in the envelope provided with your check made payable to HFRCS or make a secure gift online @ <https://hfrcs.org/ways-to-give>. Please help us create a vision for a *Whole New World* for years to come. Thank you for your kind consideration.

Sincerely,

*Mrs. Kara Haggerty*
