

# Brian F. David Memorial Golf Tournament

Northampton Valley Country Club  
229 Newtown-Richboro Road  
Richboro, PA 18954

June 5, 2025

PRESENTED BY

**HOLY FAMILY**  
Regional Catholic School

Brian started playing golf when he was six years old. Bob would take Brian and Chris to the Fairless Hills Golf Course to teach them the rules of golf and proper golf etiquette. Brian was a natural golfer and he loved to play. Very soon the student exceeded the teacher. He could hit the ball a mile and was very serious about improving his game. And he did.

He was a member of the Conwell-Egan Catholic High School Golf Team and loved tournament play. After high school, the game remained his favorite hobby and he would play often. He was a member of the Northampton Valley Country Club and represented the Club as a member of their Golf Association of Philadelphia (GAP) team.

So, it was only fitting that golf would play a central role in celebrating Brian's birthday again this year. We are grateful that you are here to share in the celebration!

Brian was a member of St. Frances Cabrini Parish where he attended St. Frances Cabrini Parish School before moving on to high school at Conwell Egan Catholic. It was during these years that he received an excellent Catholic education and developed wonderful friendships with many of the people who are celebrating his life here today.

In 2010, St. Frances Cabrini Parish School merged with four of its neighboring parish schools to form Holy Family Regional Catholic School. Building on the foundation of the four parish "legacy schools," where more than 12,000 other young men and women received their elementary Catholic school education, Holy Family is carrying on a rich shared tradition of instilling Catholic values, while providing an excellent academic experience for the children of Lower Bucks County.

All proceeds from this Tournament will go to support HFRCS so that the School might continue its mission to prepare intellectually curious, lifelong learners who live out their Catholic faith by following Jesus' example of love, service and compassion. Holy Family is a Christ-centered community which strives each day to inspire faith, challenge young minds and nurture the whole child.

**On behalf of HFRCS, we thank you for your continued support!**

**We are grateful to our wonderful volunteers** who, because of their love for Brian, return every year to take care of the many important details that make this day a reality. Thank you for your time and for caring enough to share it with us.

**We are grateful to all those who played the course today.** Thank you for your presence and we hope you had an enjoyable day.

**We are grateful to all of our tournament sponsors** for their generosity and participation. Your support for Holy Family Regional Catholic School makes this event possible.

**We are grateful to all those who joined us for dinner** to remember Brian in this special way. Thank you for being a special part of his life and ours, and for your continued support to us.

**We are grateful to all those who could not be here today, but provided their support through a donation or a raffle basket.**

# HOLY FAMILY REGIONAL CATHOLIC SCHOOL

The parish communities of Immaculate Conception, Queen of the Universe, St. Joseph the Worker, all in Levittown, and St. Frances Cabrini in Fairless Hills, joined together in mission to form Holy Family Regional Catholic School. The school is rooted in deep tradition and is located on the campus of Queen of the Universe Parish.

Similarly, in 2014, the parish communities of Queen of the Universe and Immaculate Conception merged to form the new Queen of the Universe Parish. Conversely, St. Joseph the Worker Parish and St. Frances Cabrini, merged to form the new St. Frances Parish. At present, Holy Family Regional Catholic School is supported by these two parish families.

Celebrating its 15th year as a regional school, Holy Family Regional Catholic School serves with distinction in the education of students in pre-k through 8th grade. The administration, faculty and staff are committed to excellence in Catholic education. Holy Family strives each day to uphold its mission to *inspire* faith, *challenge* young minds, and *nurture* the whole person. Our school received accreditation from the Middle States Association of Colleges and Schools Commissions on Elementary and Secondary Education initially in Spring 2015. The Commission unanimously reaccredited Holy Family in 2024 for an additional seven years.

## **Holy Family Inspires Faith:**

Our religious curriculum, religious education enrichment, daily prayer and monthly liturgies ensure faith formation while other spiritual practices and events provide many opportunities for students to enhance their relationship with God, acquire knowledge of the Catholic faith, realize God-given potential, and share their gifts and talents for the good of others. Living the faith is central to our core values and is at the heart of

everything we do.

## **Holy Family Challenges Young Minds:**

A dedicated faculty works tirelessly to ensure that our students develop necessary skills to succeed now, in high school and well into the future. Holy Family boasts a rigorous curriculum, offers a technology rich environment, promotes digital literacy, outlets for creative expression through art, music and theatre, offerings in core academic subjects including Religion, Math, AP Math, English Language Arts, Social Studies, Science and Physical Education.

## **Holy Family Nurtures the Whole Person:**

Our school promotes a safe and welcoming environment, encourages students to cultivate their interests and talents, showcase personal achievements, build community, inspire younger students through leadership and mentoring activities, and appreciate and value diversity across the school community. Our students gain valuable experience in the community, meeting the needs of others, host food and clothing drives, and engage in a multitude of service initiatives.

## **A World of Thanks:**

A host of dedicated volunteers return each year to celebrate the life and legacy of Brian David. This memorial golf tournament comes to fruition because of the efforts of countless individuals who knew and loved Brian.

Whether a returning golfer or new to the tournament this year, we applaud your participation and graciously thank you.

We extend our thanks to individuals, businesses, families, and friends for their generosity. Your support makes the tournament possible and advances the mission at Holy Family Regional Catholic School.
