

# Basket Raffle

We need YOU to help!! Here's how...

Create and send in a basket ready for display!

- make your own or get together with a few friends

Send in supplies needed to wrap baskets

- clear packing tape, scotch tape, baskets/containers, clear cellophane, any color shredded paper, ribbon, bows

Send in an item for a basket

- any new item(s) you may have at home that you'll never use☺ (we all have that closet!)
- purchase an item that you think would be great to include in a raffle basket; we'll come up with fun themes and create baskets.
  - send in a couple of dollars and we'll do the shopping (mark envelope "basket donation").
    - create and send in a basket for us to wrap.
