

*"I am the vine, you are the branches.  
If you remain in me and I in you - you will bear much fruit." John 15:1*

Dear Friends of Holy Family,

This verse taken from St. John, Chapter 15 is especially poignant at Holy Family Regional Catholic School in this our 15th year as a flagship Regional Catholic School in Lower Bucks County. We have been blessed by "the one true vine" which our mission to **Challenge** young minds, to **Inspire** faith and **Nurture** the whole person, is firmly rooted. In these 15 years, the fruits of our labors are enriched because they included you, our loyal donors, benefactors, friends, and alumni. Do you know how your goodness inspires our students? In 15 years, the school has graduated 499 students. Throughout the years, you have been role models who spread seeds of generosity, and examples of Jesus' own gifts of love, service, and compassion.

As Jesus is the vine, many hands, such as yours, tend to the branches and students benefit. Because of you, science experiments in the upgraded lab have students dreaming about careers in medicine and health professions. Likewise, the STEM lab maximizes the use of technology with resources beyond what we ever thought to be possible. Can you imagine Holy Family students writing, reporting, and filming news and announcements simulating the "real thing" as one student commented? Students are prepared as early as grade three, each with a Chromebook and the youngest of students with iPads.

Holy Family is alive with the "Sound of Music" with a new choir and music lessons. The Arts have expanded to early childhood similar to middle school. The outcomes will simply amaze. Budding performers take to the stage annually for "Holy Family's Got Talent." There is even more talent whether students are playing the ever-popular flag football and preparing for "The Turkey Bowl" to the new Reading Olympics program. You have done great things inside and outside the school and we could not be more grateful. This is no ordinary school. After all, you are extraordinary tenders of Jesus' master garden. Let us keep the momentum going!

**Today, I respectfully ask for your continued support in the 2024 Fall Appeal.** Our goal is to raise \$50,000 to supplement academics with programs in Social Emotional Learning & Math Lab and continue with safety upgrades in classrooms and across the school community. Similarly, building enhancements and scholarship assistance are ongoing. Please make a gift today to have an immediate impact. A secure online gift can be made at [hfrcs.org/ways-to-give](http://hfrcs.org/ways-to-give) or write a check to HFRCS and return it with the reply card in the envelope provided. Your kind and prayerful consideration is appreciated.

Sincerely,

*Mrs. Kara Haggerty*
