For the week of:

April 17—April 23

Our Mission

Inspire. Challenge. Nurture.

Holy Family Regional Catholic School Service Club

The goal of the HFRCS Club is to challenge students in 4th to 8th grade to be involved in their local community by volunteering in response to the needs that are present there. The service projects chosen will work to achieve the following objectives:

- Emphasize to students the importance HFRCS places on service to people, especially those in need.
 - Provide students the opportunity to reflect and learn from their experiences.
 - Provide students the opportunity to build life and leadership skills and to implement meaningful hands-on service projects.
- Students will have fun with their classmates and make a difference in their community!
