

PATHWAY ELEMENTARY SCHOOL SCHOLARSHIP

Dear Parents and Guardians:

The Danaher Lynch Family Foundation is excited to announce a scholarship opportunity for students in 6th - 8th grade. As part of our belief in the value of Catholic education, we are inviting students entering 6th - 8th grades to apply for a **DLFF Pathway Elementary School Scholarship**. This \$1,000 scholarship will be a renewable award at your grade school through 8th grade to support your educational experience.

In addition to financial support, our scholarship program encourages service to our community. We believe that through community service we are able to discover our passions, develop new skills and encourage a sense of higher purpose. As such, DLFF Pathway Scholars are given opportunities to work with our Foundation on various community service projects. Please visit dlff.org to learn more about the **Danaher Lynch Family Foundation**.

To be considered for a **DLFF Pathway Elementary School Scholarship**, please follow the instructions below:

- Complete a **Facts Grant & Aid Application**
- Complete a **DLFF Pathway Elementary School Scholarship Application**
- Share your completed application with a current teacher and request their recommendation in the faculty input section by **Friday, 4/30/2021**
- Teachers will need to submit completed applications to your school Principal by **Friday, 5/14/2021**

Award recipients will be selected by an appointed scholarship review team at each individual school.

Award recipients will be notified in May 2021.

Please note that the DLFF Pathway Elementary School Scholarship Program is individually managed by each participating school and therefore the award is not transferable to another elementary school. This \$1,000 scholarship will be a renewable award through 8th grade as long as the student maintains good academic and financial standing.

For more information on the application process, please contact your school principal.

DLFF MISSION STATEMENT

To help unleash the potential of people in our community
