Dash & Dot Robotics CLUB

Learning how to program is as essential as learning how to read and write in today's world

In this club, students will learn the basic of computer programming while having fun playing with two robots: Dash and Dot

Students will use and program the robot to cross through a maze, play Xylophone, bowl, and much more!

Club meetings :

Tuesdays,

January 8, 15, 22, 29

Time: 3:00-4:00

Club is open to students in 4th, 5th and 6th grades. Limit is 10 participants.
