From the Principal's Office

Thank you to all of our families for your patience during the opening days of this school year. As you know, our first priority is for the safety of our students and staff.

We appreciate your understanding that our morning and afternoon car lines are moving more slowly than usual due to the following of Covid-19 safety protocols. We are continuing to work on ways to streamline the drop-off and pick-up processes. Rest assured, we are closely following guidelines and will continue to do so as we move further into the school year.

Our virtual learners are off to a good start. We've experienced minimal technical difficulties and will continue to support our at home learners.

On September 28th, we will be emailing all parents a Google Form for the month of October. Your learning choice for October will be *effective on Monday, October 5th.* **You will only need to complete the form if you are changing your child's current learning method.**

Breakfast/Lunch News
