From the Principal's Office

Please look for an important email tomorrow, September 30th regarding Parent Information Night. Typically, this evening provides us an opportunity to share important school and Home and School information for the coming year, and for parents to put names to faces of the important people working in both our school administration and the Home and School Association. This year, we will be sharing some information from the school in the form of a brief video presentation, and a video from the President of our Home and School, Bridget Baill. We will also share a power point presentation highlighting the great work our Home and School does for our students and families and how each family can get involved. Please take a moment tomorrow evening to view this important information!

Virtual Learning

On Monday, September 28th, we emailed a Google form for you to complete and submit by September 30th, **if you are planning to change the way your child is currently learning.** Your October learning choice will begin on Monday, October 5th.

Please be advised that we are not offering a hybrid option at this time. If your child is staying home due to illness, they should not log into class. It is important for a sick child to get proper rest so that they are ready to come back to school as soon as they are feeling better. Our teachers will work with your child to get them caught up on work missed in the classroom.

F.E.E.D.

Important Information!

Birthday Treats: We will continue to celebrate our student’s birthdays, here at school! Please consider sending in a small individually wrapped item, such as a pencil in a Ziploc bag, for your child to share on his/her birthday. You may want to consider donating a book for the classroom library! Thank you for understanding that we are no longer permitted to share food items in our classrooms.

Masks/Gaiters: Our students are doing a great job coming to school wearing a mask/gaiter; thank you!! Please be sure to check that your child’s mask/gaiter fits well; face masks/gaiters need to cover the nose and mouth at all times. Gaiters need to be lined.

STREAM: Due to Covid-19, our STREAM days have been put on hold for the foreseeable future. The purpose of STREAM is to have our students and classes work collaboratively and this is not possible with our current social distancing guidelines.

Dress Down Days: Each month, our Student Council sponsors a \$1 Dress Down Day. Proceeds of our dress down days go towards Student Council sponsored activities.

Shop With A Cop: Officer Melissa Robison of the Middletown Township Police Department has invited our school to participate in the [2020 Shop With a Cop Back to School program](#). To be eligible, families must have been faced with a life challenge such as loss of job, homelessness, military deployment, economic shortcomings, or difficulties related to COVID-19 or other hardship.

Amazon Smile: Please consider [designating our school](#) when shopping on Amazon. Our school benefits by receiving quarterly deposits from Amazon!
