A Note from the Principals

Dear Parents and Guardians,

We are heading into the home stretch!

Pre K and K
Today was the last day of school for our Pre K and K students! Tomorrow they graduate- Pre K at 10 A.M. and Kindergarten at 6 P.M. We are sorry to see them leave but look forward to their return in September. Have a safe and happy summer!

Spirit Day!
Spirit Day is Friday and hoping that the weather cooperates! All are welcome to attend. Alex’s Lemonade Stand will be open. Snacks and lemonade will be on sale for 50 cents.
Please read: Important Information Regarding Immunizations for Next School Year

The Pennsylvania Department of Health has revised the immunization requirements for students effective the 2017-2018 school year. The revision replaces the 8-month provisional period for immunizations with the new requirement of a 5-day provisional period for students who do not have records of immunizations at the start of the required school year.

Prior to August 2017, a parent had 8 months to complete all required immunizations. This period is called the provisional enrollment.

Beginning August 2017, the provisional enrollment period is 5 days. A parent must have all immunizations of his/her child completed within the first 5 days of school. If the immunizations are not completed within those 5 days, the student must be excluded from school.

If the student is in the middle of a series of immunizations and it is too soon for the next dose, the parents must provide the school nurse with a plan for immunizations (signed by a health care provider) within the first 5 days of school. If the student has incomplete immunizations and no medical plan, the student must be excluded from school.

For your information, the following immunizations are needed for school attendance. Note that changes from the current requirements are highlighted.

Children in ALL grades (K-8) need the following immunizations for attendance:

- 4 doses of tetanus, diphtheria and acellular pertussis (*1 dose on or after 4th birthday*) (Tdap)
- 4 doses of polio (*4th dose on or after 4th birthday and at least 6 months after previous dose given*) (IPV)
- 2 doses of measles, mumps and rubella (MMR)
- 3 doses of hepatitis B (Hep B)
- 2 doses of varicella (chickenpox) or evidence of immunity (*history of chickenpox or antibody titer*)

Have a great week!

The DLFF Pathways Scholarship was offered to all students entering 6th-7th & 8th grade for the 2017-18 school year. Each application was reviewed by the Scholarship Review Team at HFRCS. The Pathways Scholarship of $1000.00 a year is renewable through 8th grade if the student maintains good academic and financial standing at HFRCS. Students selected as DLFF Pathway Scholars will be given significant consideration for the DLFF High School Scholarship to CEC.
